

5 Green Speckled Frogs

Five green Speckled Frogs sat on a speckled log
Eating some most delicious bugs. Yum!
Yum!
One jumped into the pool
Where it was nice and cool
Then there were 4 green speckled frogs

4 green Speckled Frogs
Sat on a speckled log
Eating some most delicious bugs. Yum!
Yum!
One jumped into the pool
Where it was nice and cool
Then there were 3 green speckled frogs

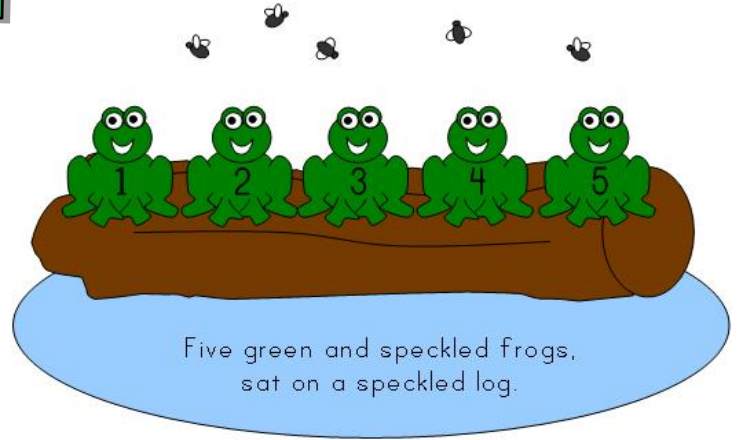

3 green speckled frogs
Sat on a speckled log
Eating some most delicious bugs. Yum!
Yum!
One jumped into the pool
Where it was nice and cool
Then there were 2 green speckled frogs

2 green speckled frogs
Sat on a speckled log
Eating some most delicious bugs. Yum!
Yum!
One jumped into the pool
Where it was nice and cool
Then there was one green speckled frog

One green speckled frog
Sat on a speckled log
Eating some most delicious bugs. Yum!
Yum!
He jumped into the pool
Where it was nice and cool
Then there were no speckled frogs

Now there are no speckled frogs,
Sitting on a speckled log
Eating some most delicious bugs. Yum.
Yum!

Movement: Five children sit in a row pretending to be frogs as each frog jumps one child jumps pretending to jump into the pool.

Finger play: children hold up five fingers to represent the frogs as each frog jumps they lower a finger.

Flannel Board: five frogs, a log, and a pool made of flannel; as each frog jumps one frog is removed from log and placed in the pool.

This classic rhyme by Raffi is a favorite of children and child care providers. with so many variations and extensions it not only gets the children moving and hopping it builds language development, and is great for teaching math concepts such as such as one to one correspondence, number sense and math operations.
