

# All about Me Sensory Bin For Infant /Toddler

WHAT YOU NEED: A container / play tray; baby safe sensory items (e.g. sand, dry rice, dry pasta, shredded packaging paper etc.); family photos.

ADULT PREP: Fill a container / play tray with your chosen sensory item and bury the family photos.

Let your little one dig in and around to see what they can find! When they find a picture make sure you tell them who it is. They may even beat you to it!
