

School Age Literacy & Activity: The Treasure Box Game

This activity has been use for infant/ Toddler & Preschoolers but you can boost it to a higher level Literacy/ Self Esteem game for School Agers.

Supplies & Directions:

Book: (order it on Amazon or Barnes & Nobles: Have the children read the story (Each taking turns reading one page at a time) Talk about the story in group time about the little girl and her Grandfather looking for the treasure box.

Box, Construction Paper, Glue, scissor (Have the children Decorate it into a Treasure Box) As they decorating let them know how they are a treasure and a gift to the world that they are unique/ special and there's only one of them in this world.

Put all different items that you know each child really likes /loves words that the child uses a lot. Have each child take a turn to pull an item out the box. When they pull it out they have to let each player know who favorite items is it. The player that get the most correct wins! Have Fun!

This activity is under the School Age DRDP: **S1 S2 S5 S6 S7 S8**
