

# Alphabet Ice Painting Activity For Toddlers

The toddlers in your program is going to love to explore the ice alphabets as they are painting them. Watch their reaction when they melt.

## Materials you need:

- alphabet ice mold
- sensory bin
- washable paint
- paintbrushes
- paint tray

**Directions:** Put water inside the alphabet mold and place it inside the freezer overnight! Pop the ice letters out and place them in a sensory bin Grab some washable paint and put it in an art tray! Let the kids have fun painting the ice. They should talk about which letter they are painting to go over alphabet recognition. See if they can find the letters of their name, create words or go over letter sounds for older children! Have Fun ☺ This activity is under the Infant Toddler DRDP Measures: A1 A4 S1 S2 S3 S4 L1 L2 L3 C8 C9 C10 Idea from Website: <https://abcdeelearning.com/alphabet-activities-for-toddlers/>

# Paint Ball Summer Fun

What happens when you take a selection of paints, a roll of paper, add a sprinkling of sunshine, & a few patio Balls and even toys?  
It's Called Summertime Fun.

What a great way for your toddler to enjoy the Summer day with Paint Ball Art activity.

Supplies:

Butcher Paper

Paint / Brushes / Container

Different size balls

Directions: Pull the butcher paper out, let the children paint the ball or press it on the paint. Then let them explore and roll it on the paper. Talk about the colors as the ball is rolling on the paper.

Enjoy☺
